2. DESCRIPTION

CONTAINS: 5% available CHLORINE present as SODIUM HYPOCHLORITE
1.5% free CAUSTIC SODA

VICTORY is a specially formulated bleach cleanser sanitizer which will effectively clean and sanitize all bathroom, tiled and hard surface areas.

VICTORY contains powerful wetting agents to dissolve and rinse away mould, scum and body fat.

VICTORY has a clinging action which allows it to work well on:

- Sanitising
- Shower walls and screens, toilets
- Garbage bins
- Tiled floors and walls
- Any areas where mould is a problem - **Under no circumstances is this product to be used on aluminium or marble.**

*Always spot test the products suitability before use. May discolour some fabrics and surfaces.

3. DIRECTIONS FOR USE

VICTORY should be used neat on shower tiles, screens and floors. Spread evenly with sponge or pad over area. Allow 5 minutes (more for heavy soiling) then rinse off. Squirt around bowl and under rim of toilets, allow to run down bowl then flush.

VICTORY can be diluted up to 40 - 1 with water (hot or cold) and used as a cleaner - sanitizer on other areas. Mop or brush vigorously then rinse thoroughly.

VICTORY contains caustic soda and chlorine so be careful. Do not mix with other chemicals and wear protective clothing and rubber gloves.

As a sanitizer in food industry (200 ppm free chlorine) :

Prepare a solution of 1: 250 (40ml **VICTORY** in 10L clean water), apply to surfaces or soak – allow 5 minutes contact time, then rinse thoroughly with potable water.

4. HEALTH AND SAFETY

HAND & SKIN CARE:

After washing, rinse and dry hands thoroughly. People with sensitive skin should avoid prolonged contact with the washing solutions or should wear protective gloves.

Classified as non dangerous (Non DG) (IRRITANT), according to the criteria of Worksafe Australia. CORROSIVE
