## 1. PRODUCT DESCRIPTION

BUFF instant shine, cleans and protects metal surfaces. BUFF easily cleans food grime, oily fingerprints from timber furniture surfaces. BUFF's unique non scratching, streak-free formula produces a high gloss beautiful shine on timber furniture.

## 2. METHOD OF USE

### Shake before use

Simply squirt onto the surface or a clean soft cloth (microfibre) buff out and wipe off with a clean cloth. Not for use on invasive medical devices and instruments

## 3. TECHNICAL DETAILS

BUFF is a moderately viscous white liquid and water based micro-emulsion sealer containing a blend of biodegradable non ionic surfactants. BUFF is formulated to give ease of application and to offer high surface abrasion resistance, water repellency whilst providing high gloss with minimum smear. BUFF will give excellent gloss and protective finish to furniture surfaces.
