1. PRODUCT DESCRIPTION/APPLICATION

GLAZE Stainless Steel Polish is a clear thin liquid with a characteristic petroleum odour. It is specially formulated to protect and enhance stainless steel and other surfaces.
GLAZE Stainless Steel Polish effectively removes finger prints, dust, oil light lime and greasy films leaving surface clean and polished.

2. FEATURES AND BENEFITS

Glaze Stainless Steel Polish is ideal for use in the cleaning and protection of stainless steel bench tops, fridges, ovens, splashbacks etc. It attacks rust, soils, grease attached to the surface of most metals and is suitable for domestic and commercial use.
* Cleans, shines & protects * Attacks rust, soils & grease * No harsh scrubbing required
*PF- Phosphate Free * Long lasting * Biodegradable surfactants

3. METHOD OF USE

DIRECTIONS FOR USE :

1. Use this product undiluted
2. Spray solution onto dirty and dry surfaces
3. Rub in with a dry soft cloth for a sparkling finish

Caution: Use with care on paint work and old surfaces. Wipe off immediately.
