1. PRODUCT DESCRIPTION/APPLICATION

AIRFRESH.GIENE Mountain Air is a pale green liquid with a pleasant fragrance. It is an Air Freshener with built in anti-bacterial properties that eliminates odours and kills germs and leaves rooms smelling fresh and clean. It will not leave any residual on surfaces and floors when sprayed into the air. It neutralises odours without the use of overpowering masking perfumes.

2. METHOD OF USE

Decant AIRFRESH.GIENE Mountain Air into an Atomiser Bottle. Spray high into the centre of the room using fine mist adjustment

3. TECHNICAL DETAILS

AIRFRESH.GIENE Mountain Air is a aqueous product containing a high fragrance level. It contains Quaternary Ammonium Compound.

4. PACKAGING

- 5 litre polyethylene drum – Product Code: 20405
- 15 litre polyethylene drum – Product Code: 20420

5. SAFETY

A. CLASSIFICATION
