1. PRODUCT DESCRIPTION/APPLICATION

Range Cleaner is a clean red liquid with a mild solvent odour. It is a heavy duty cleaner for hot plates, grills, ranges and deep fryers.

2. METHOD OF USE

Apply Range Cleaner to the surface whilst warm but not too hot. Leave for a few minutes; agitate using a brush or spatula, then rinses off with plenty of water. Always wear protective gloves and safety goggles when using.

For deep fryers, empty out the oil and fill with water. Add 1 cup Range cleaner per 10 litres and heat till near boiling. Leave to soak. Then empty and rinse with water.

3. TECHNICAL DETAILS

Range Cleaner contains water softening agents, detergents and solvent to assist in cleaning.

4. PACKAGING
