COVID-19 Initiatives:

HY.GIENE Australia are part of the critical infrastructure assisting government departments and essential services in the supply, manufacture and production of products and services to combat COVID-19.

As a manufacturer and supplier of hand sanitising solution and cleaning chemicals, with a track history and record of providing product into the market for over twenty years, **HY.GIENE Australia** has been listed with relevant Australian Government bodies as a supply source. Our **ENVIRO.GIENE** multipurpose cleaner is a hospital grade disinfectant – two products for the price of one, making it a premium product for deep clean uses - we're here to help!
