

7 Hercules Steet
Tullamarine VIC 3043

1/10/2020

Hi Peter

To whom it may concern

From the initial point of engagement, we strongly expressed our focus on hygiene and cleanliness. With 6 retail restaurant sites across Melbourne, cleanliness and top hygiene standards was always a strong focus for us.

The team at Hygiene Australia were comprehensive in devising suitable products to suit our requirements in both facility cleaning as well as food sanitisation. We have been impressed by the ongoing service and advice from the team at Hygiene Australia and highly recommend their services!

Regards,

Kin Wen
