## 1. PRODUCT DESCRIPTION/APPLICATION

ENVIRO.GIENE is a clear yellow liquid with a mild eucalyptus scent. It is a multipurpose cleaner that is for various applications and industries, including accommodation, hospitality, transport (Including airline cabin cleaning), food processing and industrial. It cleans degreasers and deodorisers with effective hospital grade disinfecting properties. Use it for cleaning floors, walls, bathrooms, mould, transport & machinery, processing equipment, glass/mirror, carpet and fabric etc. It has moderate foam and can be used in floor and carpet cleaning applicators. A quality multipurpose product for use in disaster relief cleaning.

## 2. METHOD OF USE

The dilution will vary depending on application, for disinfectant and heavy soiling/degreasing use from 1:4 to 1:9, for general cleaning use at 1:9 to 1:40 (generally for mop and bucket ½ a cup), for light duty including glass mirrors spray & wipe use at 1:75 It is suitable for use through high pressure spray applicators. For mould from 1:4 to 1:14 applied with use of recommended tile and grout brush. For carpet and Fabric from 1:6 to 1:14 can be used with carpet extraction or steam vacuum machines.

## 3. TECHNICAL DETAILS

ENVIRO.GIENE is an alkaline liquid containing a unique blend of surfactants It has pH level between 10.5 to 11.5. Major ingredients are biodegradable and will not accumulate in soil or water or cause long term problems.
