

D-STAINER

CROCKERY STAIN REMOVER

HY.GIENE
AUSTRALIA

A detergent with the germ-killing power of 4% available chlorine.

PRODUCT FEATURES & BENEFITS

- Having excellent soil-penetrating detergency, it removes food and protein residues and is ideal for pre-soaking and destaining crockery, cutlery, benches, equipment and utensils in kitchens, meatworks and food preparation areas.
- D-STAINER dissolves in water to produce a chlorinebleach solution. With good soil-eneetrating detergency and destaining power, it removes food residues and stains. Chlorine is a well-known anti-bacterial ingredient that is also effective on viruses, mould and fungi

PRODUCT USE

- Fully dissolve powder in warm water before use.
- Use solution within 24 hours, then discard.
- RINSE surfaces with potable water after use.
- Never mix with other chemicals.
- STORE in a dry, cool area.
