PRODUCT FEATURES & BENEFITS

- Removes rust
- Removes oxidation from metals and alloys
- Rust inhibiting treatment
- Safe to paint over - treated metals
- No fluorides - safe to store
- Concentrated - value for money
- For domestic or commercial use

USE

Dishwashers: turn dispenser off. Empty wash tank and remove food scraps. Clean machine surface. Add 100ml per wash tank. Switch machine to manual wash and circulate. Drain and rinse with water.

Repeat process for effective results. Coffee Machines: Apply one part DESOLVER to 8 parts water. Run through automatic machine as per normal routine for coffee making.

Toilet Bowls, Cement, Porcelain, Brick: Mix equal amounts of DESOLVER and warm water. Apply directly to stained soil area with a brush, cloth or sponge. Rinse after with cold water. If stain does not move, use DESOLVER neat, brush over and then rinse away with cold water.
