

ULTRA COMBI OVEN CLEANER

Rapid-acting detergent designed to eliminate fat, grease, carbon and food residues from Combi steamer ovens

PRODUCT FEATURES & BENEFITS

- Its formulated for cleansing both the interior and exterior surfaces of combi steamer ovens. Additionally, it is suitable for cleaning other types of ovens, grills and hotplates.
- A colourless and odorless transparent alkaline liquid detergent with ingredients to dissolve and emulsify the oils and fats as well as saponifying fats.

PRODUCT USE

Switch off oven and allow to cool down slightly (must be less than 80C).
Spray or brush ULTRA on to surfaces.
Let soak for 5 minutes. Wipe with a cloth, sponge or pad to help product break down residues. Remove all residues by wiping with a damp cloth. Rinse surfaces with clean water. Do not apply to aluminium or painted surfaces.
Note: Do not use on very hot surfaces as irritating vapours will be produced. Do not spray around food. Do not spray anything on the air intakes of the oven. The hand shower may be used to clean the inside of the Combi Oven but NOT for the outside. Clean the outside of the Combi Oven manually with HG4
